

Joyful Joyful

Lyrics: Henry van Dyke A Cappella arrange: maya

■ Chorus

Joyful, joyful
Lord we adore Thee
God of Glory, Lord of Love
Hearts unfold like flowers before Thee
Hail Thee as the sun above
Melt the clouds of sin, sin and sadness
Drive it away
Giver of immortal gladness
Fill us
Fill us with the light of day
Light of day

Joyful, joyful
Lord we adore Thee
And in my life I could not afford Thee
'Coz as youngstar I came to know
That you were the only way to go

■ Rapper 2

So I had to grow and I come to an understanding
And I'm down with the King
So no one commanded
You tell me "Who you down with" see
All I know is that I'm down with G.O.D.

You know G.O.D.
Yeah, you know me
You know G.O.D.
Yeah, you know me
You know G.O.D.
Yeah, you know me
You know G.O.D.
Everybody

■ Female Chorus

Come and join the chorus
The mighty mighty chorus
Which the morning stars began
The Father of Love is rising o'er us

■ Chorus

By the way!
What have you done for Him lately
Ooh yeah (Oh)
What have you done for Him lately
He watches over everything
So we sing!
