

Stuck

Music & Words : Stacie Orrico

Arrange : maya

I can't get out of bed today
Or get you off my mind
I just can't seem to find a way to leave the love behind
I ain't trippin'
I'm just missin' you
You know what I'm saying
You know what I mean

You kept me hanging on a string
Why you make me cry
I tried to give you everything
But you just give lies
I ain't trippin'
I'm just missin' you
You know what I'm saying
You know what I mean

Every now and then
When I'm all alone
I've been wishing you would call me on the telephone
Say you want me back
But you never do
I feel like such a fool
There's nothing I can do
I'm such a fool for you

I can't take it
What am I waiting for
My heart's still breakin'
I miss you even more
And I can't fake it
The way I could before
I hate you but I love you
I can't stop thinkin' of you
It's true, I'm stuck on you

Now love's a broken record
That's been skippin' in my head
I keep singing Yesterday
Why we got to play these games we play?

I ain't trippin'
I'm just missin' you
You know what I'm saying
You know what I mean

Every now and then
When I'm all alone
I've been wishing you would call me on the telephone
Say you want me back
But you never do
I feel like such a fool

I can't take it
What am I waiting for
My heart's still breakin'
I miss you even more
And I can't fake it
The way I could before
I hate you but I love you
I can't stop thinkin' of you
It's true, I'm stuck on you

Every now and then
When I'm all alone
I've been wishing you would call me on the telephone
Say you want me back
But you never do
I feel like such a fool
There's nothing I can do
I'm such a fool for you

I can't take it
What am I waiting for
My heart's still breakin'
I miss you even more
And I can't fake it
The way I could before
I hate you but I love you
I can't stop thinkin' of you
I hate you but I love you
I can't stop thinkin' of you
I don't know what to do
I'm stuck on you
